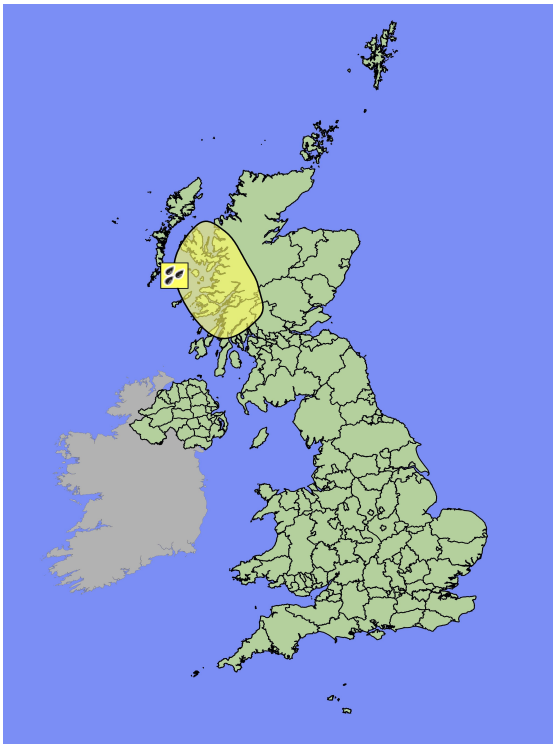
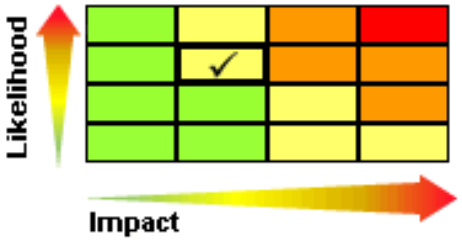
National Severe Weather Warning Service





Chief Forecasters Assessment
Persistent and locally heavy rain will give totals of 50-80 mm, especially over high ground. Rivers are already high increasing localised flood risk. Winds likely to gusts to 60-70 mph at times particularly over exposed coasts and hills.

The Met Office have issued a **Yellow Alert** of **Rain**

Valid from **12:00 on Sat, 26th Nov 2011** until **03:00 on Sun, 27th Nov 2011**

Rain will become heavy during Saturday afternoon and evening, before clearing away during Saturday night. It will also be very windy.

The public should be aware that as a result of the heavy rain there will be some surface water flooding leading to travel disruption.
